

S. KARTHIKEYAN

10/125-D, Pillayar koil street, Kulasekaranputhooor,

Kanyakumari – 629302

Phone: [+91 9361829942](tel:+919361829942)

Gmail ID: Karthi231255@gmail.com

As a hardware designer, my goal is to create intuitive, impactful devices that solve real-world problems and enhance user experiences through innovative design.

Skills

- Circuit Design
- Sensor Integration
- System Architecture
- MS Excel
- MS Word
- Embedded Systems

Education

QUALIFICATIONS	SPECIFICATIONS	SCHOOL/UNIVERSITY	YEAR OF PASSING	PERCENTAGE
B.E	Electronics and Communication Engineering	Anna University	2025	7.09%
HSC	Computer Science	Pearl Matriculation Higher Secondary school,Therekalputhooor	2021	87.5%
SSLC	--	Pearl Matriculation Higher Secondary school,Therekalputhooor	2019	87.2%

- Skilled in solving hardware and embedded systems challenges.
- Collaborating with design teams to create intuitive and functional hardware interfaces.
- Experienced in hardware prototyping and system integration with a strong technical foundation.
- Proficient in working with microcontrollers, sensors, and circuit design.
- Excellent project management and communication skills.
